*Proceedings of the Madras Government, Public Works Department,
31st March 1870.*

No. 514. Read the following letter from the Deputy Secretary to the Government of India, Public Works Department, (Account-General,) to the Secretary to the Government of Madras, Public Works Department, dated Fort William, 25th February 1870, No. 114-A-G:—

With reference to the despatch from the Government of Madras to the Secretary of State, No. 31, of 1869, forwarding an abstract indent of stores likely to be indented for from England during 1870-71, I am directed to point out that the

Stores	£ 12,000
Freight	300
Total...	12,300

sum provided in the estimate of the Secretary of State for such stores amounts to £12,300, whereas the Budget provision for the purpose in the Madras Public Works Budget Estimate

for 1870-71 is only £8,000. I am, therefore, to ask that the Government of Madras may be moved to make the necessary Budget appropriation for the difference unless there be reason to suppose that the payments in England for stores for the Public Works Department are not likely to exceed £8,000. On this point it will be desirable for the Government of Madras to address the Secretary of State.
