*Proceedings of the Madras Government, Public Works Department,
5th April 1870.*

No. 76. Read the following letter from the Superintending Engineer, 5th Division, to the Secretary to Government, Public Works Department, dated Cuddalore, 30th March 1870, No. 221:—

ONE V. Parthasarddy Naidoo was employed in Nos. 1 and 3 Ranges of South Arcot as an Assistant Accountant and Writer on a salary of 20 rupees per mensem from the 1st of May 1861 to the 1st of July 1863, when his services were dispensed with on account of reductions in the establishment, caused by the re-organization of the department in that year. He has been since re-employed in the South Arcot Collector's office as an English Accountant on a salary of Rupees 15 per month, but cannot be promoted to any post on a higher salary in consequence of his being an unpassed candidate.

2. While Parthasarddy was in this department he bore a good character, and the Range Officers under whom he was employed reported favourably as to his intelligence and usefulness as a Writer and Accountant. I have now the honour to request that I may be informed whether Parthasarddy is eligible for an appointment of 20 rupees a month, the amount which he formerly had in the Public Works Department, without passing the General Test Examination.

No. 77. ORDER THEREON, 5th April 1870, No. 955.

ESTABLISHMENT, No. 6.

THE attention of the Superintending Engineer of the 5th Division will be drawn to the Notification published at page 320 of the Gazette of the 21st August 1868, from which he will observe that as Parthasarddy Naidoo was entertained in the service of Government subsequent to the 1st January 1859, he cannot be exempted from the General Test.

2. Under paragraph 2, however, of that Notification, there is no objection to Parthasarddy being appointed to any post the salary of which may be lower than Rupees 20.
