*Proceedings of the Madras Government, Public Works Department,
7th April 1870.*

No. 118. Read the following letter from the Deputy Secretary to the Government of India, Public Works Department, (Account—General,) to the Secretary to the Government of Madras, Public Works Department, dated Fort William, 21st March 1870, No. 174-AG.

WITH reference to your communications quoted in the margin, forwarding
Statements of Objectionable Items in the
No. 3,983-B., dated 20th December 1869. Accounts of Range Officers for July,
" 489 " 12th February 1870. August, September, and October 1869,
" 721-B., " 7th March " I am directed to point out that no less

than 102 printed copies of these statements have been received, and that the spare copies are of no use in this office, as the statements are not recorded at length in the Proceedings of the Government of India. I am to suggest, for consideration, whether, for the future, these statements might not be disposed of in manuscript, as tabular matter of this kind is very expensive to print.

2. It is believed that, in other provinces, these returns are prepared separately for the different divisions of public works, when of course printed copies are not needed.

No. 119. ORDER THEREON, 7th April 1870, No. 978.

ACCOUNT, No. 5.

COMMUNICATED to the Controller of Public Works Accounts, who will submit in future one Statement of Objectionable Items for each Division. These statements will be separately disposed of, and manuscript copies of them forwarded to the Government of India and to the Superintending Engineer concerned.
