*Proceedings of the Madras Government, Public Works Department,
8th April 1870.*

No. 120. Read the following letter from the Controller of Public Works Accounts, to the Secretary to Government, Public Works Department, dated Madras, 31st March 1870, No. 2,528:—

As THE system of providing a *lump* sum in Part II. of the Budget for New Works under "Police" in each district is found in practice to be attended with much inconvenience, I venture respectfully to submit, for the consideration of Government, the following rules, which, if sanctioned, will serve for the future guidance of the officers concerned:—

I. At the commencement of each official year, the Inspector-General of Police shall lay before Government two statements, in the accompanying forms, one of new works proposed to be commenced, and another of unfinished works which it is intended to continue to completion.

II. On these statements being passed by Government, no changes shall be made in the distribution of the funds except under their sanction.

III. These statements shall contain none other than works for which estimates have been sanctioned in the regular course.

IV. Applications for the commencement of new works *during* an official year shall show the specific allotment from which the requisite funds can be supplied.

V. All applications for allotments or transfers of Police funds from one district to another shall be submitted to Government through the Inspector-General.

2. Estimates for *repairs* to Police buildings may be disposed of as at present, Superintending Engineer's continuing to show the appropriation for each item in their monthly returns against the grants for Civil buildings for the districts under their charge.

No. 121. ORDER THEREON, 8th April 1870, No. 979.

ACCOUNT, No. 6.

RECOGNIZING the necessity for greater precision in the distribution of the funds annually made available in Part II. of the Budget for Police buildings, and in order to keep the Government informed of all appropriations made from that source, His Excellency the Governor in Council approves, for immediate adoption, of the rules submitted by the Controller of Public Works Accounts, which will be communicated to the Inspector-General of Police and to the Superintending Engineers for information and guidance.

2. The Inspector-General will submit at once the two statements provided for in Rule I. of the appropriations which he would recommend in the current official year on account of New Works which it is intended to commence, and of

Sir,
As the system of providing a lump sum in Part II of the Budget for New Works under "Police" in each District is found in practice to be attended with much inconvenience, I venture respectfully to submit for the consideration of Government, the following rules, which, if sanctioned, will serve for the future guidance of the officers concerned.

(I) At the commencement of

of each Official year, the Inspector General of Police shall lay before Government two Statements, in the accompanying form: one of new works proposed to be commenced, and another of unfinished works which it is intended to continue to completion.

II. On these Statements being passed by Government, no changes shall be made in the distribution of the funds except under their sanction.

III. These statements shall contain no other than works for which Estimates have been sanctioned in the regular course.

Applications

IV. Applications for the commencement of new works during an official year shall show the specific allotment from which the requisite funds can be supplied.

V. All applications for allotments or transfers of Police funds from one District to another shall be submitted to Government through the Inspector General.

2. Estimates for repairs to Police Buildings may be disposed of as at present; Superintending Engineers continuing to show the appropriation for each item in their monthly Returns against the grants for Civil Buildings.

of each official year, the
Inspector General of Police
shall lay before Govern-
ment two statements, in
accompanying form:
I. one of new works proposed
to be commenced, and another
of unfinished works which
it is intended to continue
to completion.
II. On these statements being
passed by Government, no
changes shall be made in
the distribution of the funds
except under their sanction.
III. These statements shall
contain notice of the
works for which
have been sanctioned
the regular source

IV. Applications for the com-
mencement of new works
during an official year
shall show the specific
allotment from which the
requisite funds can be
supplied.
