*Proceedings of the Madras Government, Public Works Department,
9th April 1870.*

No. 148 Read the following letter from the Consulting Engineer for Railways, Madras, to the Secretary to Government, Public Works Department, dated 1st April 1870 —

IN compliance with the instructions conveyed in the Order of Government, dated the 12th February 1870, No. 507, I have the honour to state that a thorough examination has been made of the Government books and those of the several Guaranteed Railway Companies in this Presidency. The results of the examination are as follow:—

Madras Railway Company.—The books of this Company, so far as the Capital Accounts are concerned, are in perfect accordance with the books of Government. When the necessary alterations are completed, which, as reported in my letter, dated the 31st ultimo, No. 132, the Accountant-General has been requested to make, the Revenue Accounts will also agree.

Great Southern of India Railway Company.—On the completion of the corrections, which, as reported in my above-quoted letter, the Accountant-General has been requested to make, the Revenue Accounts of this Company will agree with the Government books. As regards the Capital Accounts, there are differences between the Government books and those of the Company. Measures are now in progress for the adjustment of these differences, and a further report on this point will be submitted as soon as possible.

2. *Indian Tramway Company (now the Carnatic Railway Company).*—The books of this Company agree with the books of Government.
