*Proceedings of the Madras Government, Public Works Department,
13th September 1870.*

No. 208. Read the following letter from the Inspector-General of Police, to the Secretary to Government, Public Works Department, dated Madras, 24th August 1870, No. 5,182:—

I HAVE the honour to submit, for the sanction of Government, the accompanying estimate, amounting to Rupees 353, for repairing the Police Hospital at Anantapore, Bellary District, received from the Superintending Engineer of the 3rd Division with his letter* herein enclosed.

2. As the Superintending Engineer considers, for the reasons explained in paragraph 2 of the above letter, that the estimated cost of repairs should be borne by the Police Department, and, as there are no funds in Bellary under the head "Repairs" save Rupees 62, I have the honour to request the sanction of Government to the following transfers:—

District.	Work.	Amount.	District.	Work.	Amount.
<i>From</i>		RS.	<i>To</i>		RS.
Kistna	" Minor repairs to Police Stations."	50	Bellary ...	Repairs to Anantapore Hospital.	291
Cuddapah		50			
North Arcot		50			
South Arcot		50			
Kurnool		91			
Total...		291			

3. The estimate is for repairs, but, as the amount exceeds one-fourth of the value of the building, it is submitted to Government under Clause 15 of Chapter XXIV. of the Public Works Code.

From the Superintending Engineer, 3rd Division, to the Inspector-General of Police, dated Bellary, 29th June 1870, No. 756.

I HAVE the honour to forward, for countersignature and transmission to Government for sanction, the accompanying report and estimate, amounting to Rupees 353, for repairing the roof of the Police Hospital at Anantapore.

2. I regret I am unable to spare funds from under the head "Minor Works, Civil Buildings;" but under the circumstances that the hospital portion of the building is always in occupation by the sick from the Police; that its being a Civil Dispensary is merely for the dispensing of medicines, as the building provides no special accommodation for civil patients, and that the improvements contemplated in the estimate may therefore be said to be mainly for the comfort of patients from the Police, I would suggest, if there are no objections, and as I am unable to provide funds, your recommending when submitting the estimate to Government some source at your disposal from which the money could be given.

Through Superintendent of Police, Bellary, for countersignature and transmission to the Inspector-General of Police.

4th July 1870.

Superintendent of Police.
