*Proceedings of the Madras Government, Public Works Department,
14th September 1870.*

No. 241. Read the following letter from the Acting Superintending Engineer, 5th Division, to the Secretary to Government, Public Works Department, dated Camp at Mallapandy, 8th September 1870, No. 115 :—

In forwarding the accompanying letter, No. D., dated 25th August 1870, from the Assistant Engineer in temporary charge of No. 4 Range, South Arcot, reporting the robbery of Government money at Streemushnum on that date, I have the honour to state that I have this day learnt from Mr. Bell that the precise amount of cash lost, which belonged to Government, was Rupees 3-4-0, and not Rupees 5 as stated in that letter.

2. I have the honour to request, therefore, that the above-mentioned sum of Rupees 3-4-0 may be written off to "profit and loss" from the Range Accounts.

From the Assistant Engineer in temporary charge of No. 4 Range, South Arcot, to the Superintending Engineer, 5th Division, dated Streemushnum, 25th August 1870, No. D.

I HAVE the honour to inform you that a robbery, consisting of abstraction of money to the amount of about Rupees 65 from a box of mine, occurred in the department bungalow at Streemushnum at an early hour on the morning of the 25th instant.

2. The box which contained the money was of tin and had a lock ; it was within a wooden box, which also had a lock. The thieves appear to have taken the box bodily to a distance, and having forced both locks with a chisel, nail, or such-like instrument, took out all the money and left the box on the ground.

3. The Range cheque-book was in the tin box on top of the money, as well as a number of letters and official correspondence, these were not taken ; but within the amount that was stolen were a few rupees, about 5, which belonged to Government.

4. I have put the matter into the hands of the Head Constable of this village, and the case is now under investigation.

5. As soon as I am able to refer to the office books, I will let you know the full amount of Government money lost.

No. 242. ORDER THEREON, 14th September 1870, No. 2,212.

mine occurred in the Department
bungalow at Stremshunn at an
early hour on the morning of the
25th instant.-

The box which contained the
money was of tin and had a lock.
it was within a wooden box which
also had a lock. The thieves appear
to have taken the box bodily to a
distance, and having forced both locks
with a chisel, nail, or such like
instrument, took out all the money
and left the box on the ground.
The Range cheque book was

in the tin box on top of the money
as well as a number of letters and
official correspondence, these were not
taken, but within the amount that
was stolen were a few rupees about
five which belonged to Government.

I have put the matter into
the hands of the Head Constable of
this village, and the case is now
under investigation.

As soon as I am able to refer
to the office books, I will let you
know the full amount of Government
money lost.
