Jy. Superintending Engineer S. W.

Sir, I have the honor to forward an Arzi from the Vellathicolam Sub Magistrate requesting permission to hold his Office in the New Building, I was recently in Vellathicolam and certainly agree in thinking the present house unsafe. I beg that as a special case, seeing Government have declined to sanction the completion of the building at present, you will permit him to occupy the front rooms of the butchery not the wards &c. I will issue special instructions to prevent the injury of the buildings, in fact the occupation is likely to be serviceable in protecting them from injury from cattle and passengers.

I have &c.
