No. 339. From the Superintending Engineer, 7th Division, to the Secretary to Government, Public Works Department, dated Coimbatore, 6th September 1870, No. 125.

I HAVE the honour to request that a sum of Rupees 500 may be transferred from the Budget allotment for Purchase of Tools and Stores in the Coimbatore District, from which it is available, to the same head in Canara, to enable me to appropriate funds for certain estimates now in hand.

No. 340. From the Acting Superintending Engineer, 8th Division, to the Secretary to Government, Public Works Department, dated Palamcottah, 9th September 1870, No. 1,628.

I HAVE the honour to forward herewith a letter in original from the Superintendent of Operations at Paumben, No. 31, of the 30th ultimo, requesting an allotment of Rupees 750 for the repairs of one stone and two mud boats; and to request that you will be so good as to obtain the sanction of Government for a grant of Rupees 1,000, under Repairs and Carriage, etc., of Tools for the Madura District, to meet the above and other petty charges under the same head. In anticipation of a further grant, I have allotted Rupees 150 to the Paumben Range from the sum of Rupees 157, being the unallotted balance of Rupees 600 given for this district from the current year's expenditure.

2. The sum of Rupees 2,850, granted in G. O., No. 3,916, dated the 15th December 1869, under Tools and Plant, New Supplies for the Tinnevelly District, is, I think, in excess of what is actually required; and I, therefore, propose to give

up Rupees 1,800 therefrom, leaving the balance, Rupees 1,050, for expenditure in that district subject to further modification in January next, when the statements of savings and demands are due.
