GROUNDS OF PROPOSITION.

As, after defraying the cost of current repairs, the Budget allotment for "Repairs Military" is found to be utterly inadequate to meet the heavy claims which, under recent orders of the Government of India, are now made on account of house-rent to Medical and Military Subordinates, this Government are unable to provide the requisite funds from the grant under that head, and have been compelled to supplement it from the provision for new works by transferring the necessary amount from the Budget assignment for the Lawrence Asylum.

2. Under these circumstances I am to request that the sanction of the Government of India to the re-appropriation now proposed may be granted and communicated by telegraph.
