*Proceedings of the Madras Government, Public Works Department,
21st September 1870.*

No. 363. Read the following letter from the Acting Superintending Engineer, 7th Division, to the Secretary to Government, Public Works Department, dated Coimbatore, 12th September 1870, No. 127 :—

I HAVE the honour to report that I have confirmed the suspension of Mr. Overseer Brewer on the 6th September by Captain Bailey, Assistant Engineer, Cannanore Range.

2. The charge against the Overseer is "breach of trust" and embezzlement of cash, the property of Government, to the extent of Rupees 354-6-4. His cash accounts were examined on the 5th of September, and it was found that on the last of the month his balance, though amounting to Rupees 330-12-3, was reported in his cash balance statement as only Rupees 3-5-1. He further received a cheque for Rupees 500 on the 3rd instant, which he had not entered in his cash book, and could only produce vouchers for Rupees 81-3-0, with cash amounting to Rupees 395-2-11. He was called upon to account for the discrepancy in writing, and simply reported he "could not explain the cause of the discrepancy, vouchers for the same not being forthcoming, at least within a few days." Captain Bailey since writes in a demi-official letter that the Overseer "acknowledges having taken the money, expecting to be able to replace it in a day or two as he had been promised a loan."

3. In accordance with paragraph 11, Chapter III. of the Public Works Code, I have directed Captain Bailey forthwith to institute proceedings against the Overseer before the Cantonment Magistrate of Cannanore; the result of which will, on receipt, be communicated to Government.

4. Mr. Brewer's conduct of late has been most unsatisfactory. During the last month his Range Officer charged him with deficiency of materials in his charge to the value of Rupees 351-15-0, neglect of duty, and inattention to orders, all of which charges were being investigated, when it was, as reported above, found that in addition to his other misconduct, he had misappropriated Government funds in his keeping.

No. 364. ORDER THEREON, 21st September 1870, No. 2,274.

ESTABLISHMENT, No. 35.

THE Government will await the result of Overseer Brewer's trial by the Cantonment Magistrate of Cannanore.
