PROCEEDINGS OF THE BOARD OF REVENUE, dated 14th June 1870.

Read the following letter from J. FRASER, Esq., Collector of the Godavery District, to the Acting Secretary to the Board of Revenue, dated Cocanada, 10th May 1870, No. 133:—

I HAVE the honour, with reference to the Board's Proceedings, dated 2nd instant,, to state that the Acting Superintending Engineer, First Division, informs me that Rupees 8,000 can be spent on the road from Juggempetta to Kottapilly during the current official year, and the amount can be provided from the grant for the road noted in the margin; I, therefore, request sanction for the necessary transfer of funds.

	Grant for 1870-71.	Proposed expenditure 1870-71.	Amount not required.
Road from Yeleswaram to Jaddangi	29,000	20,000	9,000

2. I have further the honour to state, that the cost of all masonry works to be constructed on the road is Rupees 12,900, of which Rupees 2,710 (not Rupees 16,570) for the works Nos. 1, 2, 3, 4, 5, and 6 should be met entirely from Local Funds, as they are situated in Proprietary villages, and the cost of works (Rupees 190) Nos. 7 and 8 over irrigation channels being situated in a Government village and irrigating Government lands, should be debited to Local and Imperial Funds in equal proportions.

3. Regarding the rate of compensation for the lands required for the road, orders have been issued to the Tahsildars concerned for inquiry; on receipt of their answers, the result will be communicated to the Board.

An allotment of Rupees 8,000 for the road from Juggempetta to Kottapilly is sanctioned from the source pointed out by the Collector.

2. The Collector will, in communication with the Acting Superintending Engineer, arrange for the recovery of Rupees 95, being a moiety of the cost of certain masonry works over irrigation channels, and report to the Board the date of recovery.
