*Proceedings of the Madras Government, Public Works Department,
21st September 1870.*

No. 374. Read the following Endorsement of the Controller of Public Works Accounts, dated Madras, 15th September 1870, No. 1,211 :—

Read the following letter from the Special Executive Engineer, Wynaad, to the Controller of Public Works Accounts, dated Vythery, 12th September 1870, No. 597.

WITH reference to G. O., No. 1,993, dated 19th August last, I have the honour to request you will forward the following statement to Government.

2. During the official year 1869-70, the Officer in charge of North Wynaad Range submitted an estimate for the following tools, required for use in his Range :—

Quantity.	Description.	Rate.			Per.	Amount.		
		RS.	A.	P.		RS.	A.	P.
12	Hammers, sledge, 10 lbs.	2	0	6	each	46	6	10
24	Do. stone-cutting	10	11	3	do.	21	6	6
2	Kettles for pitch	...	...	...	...	27	11	0
	Packing and Railway charges from Madras to Beypore. ...	...	...	...	...	43	15	4
	Carriage charges from Beypore to Manantoddy ...	...	...	...	...	...	...	...
	Total...	...	...	...	...	188	3	8

This after sanction was supplied, but owing to his having misunderstood the Order of Government, No. 4,015, dated 29th December 1869, as directing stoppage of expenditure on Tools and Plant, he neglected to disburse the amount out of the funds then at his disposal, and consequently brought it forward as a charge during the current official year; but the allotment for 1870-71 is too small to admit of the charge without exceeding the proper share of his range, and without trenching so much on those of the other two ranges as to amount to inefficiency. Under the circumstances I have the honour to request that as the charge is one that is properly due from the funds of the past official year, a further allotment of Rupees 188-3-8 may be made under the

New Supplies	...	...	...	116	9	4	head of New Supplies and Carriage, that
Repairs or carriage	...	...	...	71	10	4	being the expenditure incurred for the
				188	3	8	above tools and their carriage from
							Madras to Manantoddy.

SUBMITTED for the consideration of Government, with reference to paragraph 2 of their Proceedings of the 19th ultimo, No. 1,993.

2. The only source from which the additional grant of Rupees 189 required by Major Kennedy can be provided, is the modified allotment (Rupees 30,000) for Tools and Plant for the Public Works Stores at the Presidency, which, in my opinion, can well bear this trifling reduction.

Controller of Public Works Accounts.
