Proceedings of the Madras Government, Public Works Department,
22d September 1870.

No. 409. Read the following letter from the Superintending Engineer, 2nd Division, to the Secretary to Government, Public Works Department, dated Bezwarah, 14th September 1870, No. 78:—

REFERRING to G. O., No. 2,174, of 9th September 1870, I have the honour to point out that the lock bungalow at this station was utterly demolished in 1864-65 after the cyclone injured it severely, and was only rebuilt as one room and bath-room. A second-class traveller's bungalow, on which 8 Annas a day fee is levied, supplies not only as much accommodation, but also some furniture and attendance; for 1 Rupee per day we can have the use of servants, crockery, etc.

2. There is, except the traveller's bungalow, no place where an Overseer, or Officer from another Range, can remain in Bezwarah if required to come in for any duty with the Range Officer or me; and the traveller's bungalow is frequently occupied by *bona fide* travellers.

3. I trust, therefore, that the Government will be pleased to reduce the fee to 8 Annas per diem, as originally proposed by me.

No. 410. ORDER THEREON, 22nd September 1870, No. 2,298.

CIVIL WORKS, No. 37.

UNDER the circumstances explained in this letter, and in modification of the orders contained in Proceedings, No. 2,174, dated 9th September 1870, His Excellency in Council authorizes the lock bungalow at Bezwarah being occupied on payment of a fee of 8 Annas per diem. The Superintending Engineer will furnish quarterly statements showing the names of the parties who may use the building as well as the dates of occupation.
