Government of Madras.

Public Works DEPARTMENT.

G.O. No. 2507	Press
16-417	Mis.
Dated 23-3-1879	

Not to be folded or roughly handled

*Proceedings of the Madras Government, Public Works Department,
23rd September 1870.*

No. 416. Read the following letter from the Under Secretary to the Government of India, Public Works Department, (Railway,) to the Secretary to the Government of Madras, Public Works Department, (Railway,) dated Simla, 8th September 1870, No. 1,547 R. :—

I AM directed to request that, in replying to Public Works Department No. 1,184-R, of the 5th July 1870, with which was returned for revision the estimate for substituting galvanized iron poles for the wooden posts on which the telegraph wires on 410 miles of the Madras Railway are supported, the Government of Madras will furnish a description of the standards or posts proposed for adoption, their height above the ground, the number to the mile to be used, and their cost both in England and in India on issue from store.

No. 417. ORDER THEREON, 23rd September 1870, No. 2,302.

RAILWAY, No. 42.

COMMUNICATED to the Acting Consulting Engineer for Railways for information and guidance in continuation of G.O.,

No. 1,717, dated 18th July 1870, and with a view to his furnishing the particulars required by the Government of India.

(True Extract.)

(Signed) CHARLES A. ORR, Colonel, R. E.,

Secretary to Government.

To the Acting Consulting Engineer for Railways.

Exd. E. C. Shunker.

India on issue from store.-
