Proceedings of the Madras Government, Public Works Department, 26th September 1870.

No. 447. Read the following letter from Lieutenant W. PORTER, late Executive Engineer, to the Secretary to Government, Public Works Department, dated Madras, 26th September 1870:—

I BEG to bring the following subject to your notice, trusting you will give it your favourable consideration.

2. I, having duly completed the period of service required of a Warrant Officer, applied to Government, through the Superintending Engineer, 3rd Division, to be allowed to retire from the service. Permission to retire from 18th August last was granted, (*vide Fort Saint George Gazette*, dated 16th August, page ——). I beg, however, to state that the Superintending Engineer, 3rd Division, only issued instructions (in his docket No. 72 A. B., dated 5th instant, copy attached, marked A.,) for me to deliver over charge of my range (Hospett) on the 5th instant, which order reached my office on the 8th; but it was not until the 12th the giving over charge was finally completed; original certificate, marked B., of relieving officer is enclosed, and on that date I reported my departure from the station. From the above statement it will be seen that I served in the department (as Executive Engineer, 4th grade,) for 26 days after the date of my transfer to the Pension Establishment, and the Controller of Public Works Account in his memorandum* No. 273 of 6th instant, declines to pass any salary for those days without the special sanction of Government, which sanction I beg you will have the goodness to obtain.
