MADRAS RECORD OFFICE.

Government of Madras.

Public Works DEPARTMENT.

G.O. No. 2355	Press
517-18	Mis.
Dated 29-9-18	1870.

Not to be folded or roughly handled

*Proceedings of the Madras Government, Public Works Department,
29th September 1870.*

No. 517. Read the following letter from the Acting Consulting Engineer for Railways, to the Secretary to Government, Public Works Department, dated Madras, 16th September 1870, No. 370:—

IN continuation of my endorsement, No. 361, of the 8th instant, I have the honour to submit letter, No. 3,740, dated 12th instant, from the Agent of the Great Southern of India Railway, representing that the Directors have already sent out the material required for the telegraph line between Trichinopoly and Tuticorin.

From the Agent of the Great Southern of India Railway, to the Acting Consulting Engineer for Railways, dated Negapatam, 12th September 1870, No. 3,740.

I HAVE the honour to state, in reply to your letter No. 416, of the 8th instant, that under the authority of the Secretary of State for India, my Directors purchased and sent out the material required for the telegraph line between Trichinopoly and Tuticorin.

2. This material has been landed, and I trust Government will not withhold sanction to the line being put up as soon as possible. We are legally bound to provide a telegraph for the working of a single line of railway, and it would be of great assistance to the Engineering Department to have the use of the wires directly the Southern Extension works are started.

No. 518. ORDER THEREON, 29th September 1870, No. 2,355.

RAILWAY, No. 55.

RECORDED with reference to G. O.,
No. 2,349, dated 29th September 1870.
