*Proceedings of the Madras Government, Public Works Department,
1st October 1870.*

No. 7. Read the following letter from the Controller of Public Works Accounts, to the Secretary to Government, Public Works Department, dated Madras, 16th September 1870, No. 1,221 :—

ADVERTING to their Proceedings of the 15th instant, No. 88, in which Government decline to increase the pay of Sub-Conductor Schoury, Assistant Master in the Civil Engineering College, consequent on his promotion to the Warrant Grade under G. O. G. of the 12th April last, I have the honour to represent that some difficulty is experienced in disposing of the Sub-Conductor's salary abstracts.

2. Up to the 31st March last, Mr. Schoury drew Rupees 120 as staff pay, and Rupees 39-3-4 as the Military allowance of a Serjeant. From and after the 1st April 1870, no Military pay has been passed to Mr. Schoury, pending the issue of orders by Government on the reference made to them by the Director of Public Instruction in letter, No. 890, dated 18th May, following.

3. According to the terms of the Resolution of Government now under acknowledgment, Mr. Schoury's pay is to continue at Rupees 159-3-4, but as Rupees 39-3-4, which, as shown above, represent the Military allowances of a *Serjeant*, cannot be passed to him as the Military allowances of a *Sub-Conductor*, the pay attached to that grade being Rupees 80, I venture respectfully to suggest that a authority be granted to this office to pass to Mr. Schoury a *consolidated* salary of Rupees 160 per mensem, with effect from the 1st April last.

No. 8. ORDER THEREON, 1st October 1870, No. 2,368.

ESTABLISHMENT, No. 1.

UNDER the circumstances represented the Government authorize the Controller of Public Works Accounts to pass to Sub-Conductor Schoury, Assistant Master in the Civil Engineering College, a consolidated salary of Rupees 160 per mensem with effect from the 1st April last.
