Mis.

15/11

Dated 1-10-1870.

Not to be folded or roughly handled

*Proceedings of the Madras Government, Public Works Department,
1st October 1870.*

No. 15. Read the following letter from the Acting Consulting Engineer for Irrigation and Canal Company, to the Secretary to Government, Public Works Department, dated Madras, 13th September 1870, No. 68:—

I HAVE the honour to submit, for the sanction of Government, plans* and an estimate, amounting to Rupees 3,320, for constructing eleven sluices in that portion

* On one sheet.
of the 8th Section, Main Canal, which lies between the beginning of the 121st mile and 125th mile 67 chains. This expenditure will eventually form part of the cost of distribution works for the section generally, the scheme of which is well advanced and will be laid before Government shortly. Preliminary sanction to the sluices is required that the gaps in the bank and in the calingulals may be closed.

The letter noted in the margin accompanies.
From Agent, No. 377, 3rd September 1870.

No. 16. ORDER THEREON, 1st October 1870, No. 2,372.

IRRIGATION, No. 3.

SUBJECT to the condition specified in this letter the Government sanction an advance of Rupees 3,320 for the construction of eleven sluices in the 8th Section of the Madras Irrigation and Canal Company's Main Canal.

(True Extract.)

Colonel, R.E.,
Secretary to Government.

To the Acting Consulting Engineer for Irrigation and Canal Company.
„ Agent and Manager for do. do.

Consulting Engineer's Office
Irrigation & Canal Company
Madras, 13th Sept/70.

No. 60.
Sir,
Colonel J. Carpendale J.D.
J. Cousens & Co.
The Secretary to Government
Public Works Department.

on one sheet.

I have the honor to submit for the sanction of Government plans and an estimate amounting to Rs. 3320 for constructing eleven sluices in that portion of the 8th Section Main Canal which lies between the beginning of the 121st mile and 125th miles by chains. This expenditure will eventually form part of the cost of distribution work for the Section generally the scheme of which is well advanced and will be laid before Government shortly. Preliminary sanction to the sluices is required that the gaps in the bank and in the calingulaks may be closed. The latter noted in the margin accompanies.

from Agent No. 377-35 Sept/70.

Have the honor to be,
Sir,
Your most obedient servant,
J. Cousens & Co.
J. Cousens & Co. J.D.
