*Proceedings of the Madras Government, Public Works Department,
4th October 1870.*

Read the following papers:—

No. 47. Read the following Endorsement of the Acting Consulting Engineer of the Madras Irrigation and Canal Company, dated Madras, 8th September 1870, No. 62.

From the Agent and Manager of the Madras Irrigation and Canal Company, to the Acting Consulting Engineer of the Madras Irrigation and Canal Company, dated Madras, 29th August 1870, No. 368.

I LEARN that the Government Examiner has taken objection to the charge for the expenses incurred by Mr. Ridley in proceeding to Madras when called down by me upon a sudden emergency.

2. Upon examining the case I am bound to admit that the rules do not appear to support the charge, but I beg to represent that the emergency was one neither contemplated nor provided for.

3. Mr. Badham's very dangerous illness rendered it indispensable that, in the hope of saving his life, he should at all hazards embark without delay.

4. Largely engaged as we were at the time in manufacturing and despatching lock gates in addition to all the store business, I found it impossible myself to attend to all details, and I deemed the presence of an Engineer in Madras indispensable. At the same time it will, I think, be readily admitted that the expenses entailed upon the Engineer selected could not fail to be very heavy, and, therefore, I solicit sanction for the expenditure referred to, as a special case, in order that an unmerited hardship may not fall upon an able and deserving officer.

From the Agent and Manager of the Madras Irrigation and Canal Company, to the Acting Consulting Engineer of the Madras Irrigation and Canal Company, dated Madras, 2nd September 1870, No. 376.

In accordance with the request contained in your letter of the 1st instant, No. 165, I have the honour to append copy of Mr. Ridley's bill of travelling charges when ordered to Madras.

2. The Government Examiner seems to concur in my opinion of the fairness of the claim.

SUBMITTED to Government with a recommendation that the expenses incurred by Mr. Ridley in proceeding from Cuddapah to Madras on the Company's business, namely, Rupees 104-0-6, may be sanctioned.

2. The charge appears to me admissible under Clause 59 of the Company's rules, with the exception of Rupees 6-6-6 Railway fare for a second horse, and Rupees 21-10-6 for personal luggage, which are in excess of the sums allowed by

the rules sanctioned in G. O., No. 2,611, of the 2nd August 1867, namely, one horse and 37 maunds of luggage; but, under the exceptional circumstances represented by the Agent, I recommend them for sanction, as a special case.

No. 48. From the Acting Consulting Engineer of the Madras Irrigation and Canal Company, to the Secretary to Government, Public Works Department, dated Madras, 10th September 1870, No. 65.

In reply to your memorandum as per margin, I have the honour to state that there is no greater necessity for Mr. Ridley having two horses for his duty at Madras than when on canal work in the districts when Railway charge for one only is allowed on joining, but as a fact Mr. Ridley brought those horses with him from Cuddapah to Madras, and, under the exceptional circumstances, I thought the charge for two of them against the Company would be only fair.

IRRIGATION, No. 8.

UNDER the exceptional circumstances brought to notice in these papers His Excellency the Governor in Council sanctions, as a special case, the expenses amounting to Rupees 104-0-6 incurred by Mr. Ridley in proceeding from Cuddapah to Madras on the business of the Madras Irrigation and Canal Company.
