*Proceedings of the Madras Government, Public Works Department,
4th October 1870.*

No. 56. Read the following letter from the Executive Engineer in charge of Superintending Engineer's Office, 4th Division, to the Secretary to Government, Public Works Department, dated Madras, 27th September 1870, No. 2,675:—

With reference to G. O., No. 2,032, under date 23rd August 1870, I have the honour to report that at Chingleput and Cautpady hired buildings are employed as Post Offices, on a rent respectively of Rupees 7 and 15.

2. The rent of the building hired as a Post Office at Cautpady, Rupees 15, appears high; but the Range Officer reports that there is no other suitable building available.

3. The building hired as a Post Office at Chingleput is reported to be satisfactory as regards the accommodation it affords, but objectionable as being not sufficiently central, and moreover situated in a Brahmin street, so that if a Postmaster of any other caste than the Brahmin (to which caste the present incumbent belongs) be appointed, a difficulty might be likely to arise; there is, however, no other building suitable for the purpose.

No. 57.

ORDER THEREON, 4th October 1870, No. 2,392.

CIVIL WORKS, No. 7.

ORDERED to be recorded.
