My dear Farewell

2/0

The Govt. are anxious that the more dangerous parts of the New Coonoor Ghaut should be protected as soon as possible by parapets, similar to those on the road between Coonoor & Ootacamund. Will you kindly have an estimate prepared & sent to me if you can suggest how funds can be provided & to Govt. if you have no funds available. I am writing to Mr. Grant to ask him to take such measurements as will be necessary to frame an estimate.
