*Proceedings of the Madras Government, Public Works Department,
11th October 1870.*

No. 162. Read the following letter from the Deputy Secretary to the Government of India, Public Works Department, (Railway,) to the Secretary to the Government of Madras, Public Works Department, (Railway,) dated Simla, 27th September 1870, No. 1,645 R. :—

I AM directed to request that, should there be any excess material or plant, including rolling stock, on the railways under the control of the Madras Government, this department may be furnished with complete lists of such material and plant, indicating the prices at which they can be disposed of for use on other guaranteed Railways or on State lines. Drawings should also be furnished of all complete vehicles, including waggons, for which fittings are now in stock in excess of requirements. Partial information on this subject has been received in a detached form, but it will be more convenient if complete statements are compiled as now requested.

2. The drawings should show distinctly what parts are now in stock, and what will have to be provided before erection, and be accompanied by a description showing clearly what is available.

3. An early reply is requested.

No. 163. ORDER THEREON, 11th October 1870, No. 2,448.

RAILWAY, No. 15.

COMMUNICATED to the Acting Consulting Engineer for Railways, who will furnish at an early date the lists of material and plant and drawings of vehicles required by the Government of India.

To The Secretary to the Govt. of Madras,
Public Works Department, (Railway).

Simla, 27th September 1870.

Sir,

I am directed to request that, should there be any excess material or plant, including Rolling Stock on the Railways under the control of the Madras Government, this Department may be furnished with complete lists of such material and plant, indicating the prices at which they can be disposed of for use on other guaranteed railway or on state lines. Drawings should also be furnished of all complete Vehicles, including wagons, for which fittings are now in stock in excess of requirements. Partial information on this subject has been received in a

detached form, but it will be more convenient
if complete statements are compiled as now re-
quested. —

2. The Drawings should show distinctly what parts are now in stock, and what will have to be provided before erection, and be accompanied by a description showing clearly what is available. —

3. An early reply is requested. —
