Dated 18-7-76.

*Proceedings of the Madras Government, Public Works Department,
12th October 1870.*

No. 168. Read the following letter from the Superintending Engineer, 2nd Division, to the Secretary to Government, Public Works Department, dated Masulipatam, 28th September 1870, No. 93:—

REFERRING to your endorsement of the 19th instant on Chief Secretary's Memorandum No. 36, of 14th idem, (herewith returned with enclosures,) I have the honour to inform you that the sum of Rupees 329, required for the improvements of the burial grounds in the town of Masulipatam, can be made available from the unappropriated balance under Communications, Minor New Works, Kistna District.

2. I would, however, take the opportunity of observing that no injury is likely to happen by postponing the construction of these enclosure walls, while inconvenience to the Range Officer and his office and damage to the records will probably occur by deferring the building of the office at Dugeralla, to which, I presume, the above transfer might be made under G. O., No. 2,138, of 6th September 1870.

No. 169. ORDER THEREON, 12th October 1870, No. 2451.

CIVIL WORKS, No. 16.

As it appears from this letter that the execution of the proposed repairs and improvements to the Dutch and

French burial grounds at Masulipatam can without inconvenience be postponed, and as the sum of Rupees 329 which the Superintending Engineer is in a position to spare from his allotment for Minor New Works under Communications in the Kistna District is required for works of greater urgency than the Range Office at Dugeralla, the Government resolve to hold that amount at their disposal.
