*Proceedings of the Madras Government, Public Works Department,
17th October 1870.*

Read the following papers:—

No. 239. From the Executive Engineer in charge of 6th Division, to the Secretary to Government, Public Works Department, dated Tanjore, 16th July 1870, No 267.

I HAVE the honour to submit the enclosed letter No 71, of the 12th instant, from the Combaconum Range Officer, and for the reasons stated therein, I beg to recommend the transfer of Rupees 500 from Road No. 2 from Sheally to Grand Anicut to Trunk Road No. 9 from the Lower Anicut to Combaconum. The maintenance allowance of the latter road for the current year will be Rupees 2,525 instead of Rupees 2,025.

From the Executive Engineer, No 2 Range, Tanjore District, to the Superintending Engineer, 6th Division, dated Punthanelloor, 12th July 1870, No 71

I CONSIDERED it advisable to collect a large quantity of sand on Road 9, and to do much repairs to its masonry works this year. I have nearly expended the allotment (Rupees 2,025), and as I can well do with Rupees 500 less on Road

• Rupees 3,180

2 than that allotted* for it, whilst that sum

will be required for Road 9, I have the honour to request that you will permit the transfer of Rupees 500 from the allotment of Road 2 to that of Road 9.

No. 240. From the Executive Engineer in charge of 6th Division, to the Secretary to Government, Public Works Department, dated Tanjore, 7th October 1870, No 569.

In continuation of my letter No. 267, of the 16th July last, I have the honour to submit the enclosed letter No. 130,†

† To be returned.

of the 29th ultimo, from the Range

Officer bringing to notice the bad state of Trunk Road No. 9, and beg that you will be good enough to cause early orders to be passed on the subject.

From the Executive Engineer, No 2 Range, Tanjore District, to the Superintending Engineer, 6th Division, dated Combaconum, 29th September 1870, No 130

• In anticipation of a further allotment being sanctioned for Imperial Road No 9 (from Lower Anicut to Combaconum), I request permission to pay Rupees 159-8-10 balance due for work executed in excess of allotment in the month of July 1870. I have the honour to request also that the extra allotment applied for in Range No 71, dated the 12th July 1870, may be granted as soon as possible, as the road is in very bad order and it is desirable to have many portions of it sectioned and covered with sand (which has been already collected) before the end of the rainy season.

No. 241. ORDER THEREON, 17th October 1870, No. 2,483.

ACCOUNT, No. 36.

His Excellency the Governor in Council sanctions the transfer of Rupees 500 proposed in these letters if it can be

effected after the Superintending Engineer has provided for the reduction of 6 per cent. in the grant for Repairs under Communications ordered in G. O., No. 2,445, dated 11th October 1870.
