*Proceedings of the Madras Government, Public Works Department,
17th October 1870.*

No. 248. Read the following letter from the Special Executive Engineer, Wynaad, to the Secretary to Government, Public Works Department, dated Vythery, 11th October 1870, No. 663 —

THE Government in their Order No 995, dated 9th April 1870, in approving the estimate of Rupees 500 for constructing an Overseer's shed at Vythery, stated, the question of making a grant for the work would be considered when the whole demands from the Reserve come under review; as no funds have as yet been allotted, I have the honour to request information whether there is any likelihood of my obtaining any during current official year. The want of such a building entails much inconvenience and hardship in a climate where tents cannot be used.

No. 249. ORDER THEREON, 17th October 1870, No. 2,487.

CIVIL WORKS, No. 22.

MAJOR Kennedy will be informed that there is no prospect of any funds being available during the current official year to meet the proposed outlay on the Overseer's shed at Vythery.
