*Proceedings of the Madras Government, Public Works Department,
19th October 1870.*

No. 276. Read the following letter from the Superintending Engineer, 4th Division, to the Secretary to Government, Public Works Department, dated Madras, 17th October 1870, No. 2,954 —

ADVERTING to Government Order No. 2,284, dated 21st September 1870, I have the honour to submit for sanction a plan and an estimate, amounting to Rupees 1,060, for converting two of the rooms in the ground floor of the Accountant-General's Office in the Fort into an "Exchange Office" and "Strong room" for the Paper Currency Department proposed to be removed there.

2. The Executive Engineer reports that the work is under execution, having been commenced upon emergency.

3. Government are requested to provide the funds required, as none are available with the Superintending Engineer.

No. 277. ORDER THEREON, 19th October 1870, No. 2,502.

CIVIL WORKS, No. 25.

BEFORE taking this estimate into consideration the Government wish to know whether there are any objections to substituting light ornamental iron columns for the heavy brick pillars which now take up so much space, and spoil the appearance of the room which it is proposed to appropriate to the accommodation of the Paper Currency Office. The cost of the alteration, if it be practicable, should also be stated.
