*Proceedings of the Madras Government, Public Works Department,

No. 280. Read the following letter from the Acting Superintending Engineer, 1st Division, to the Secretary to Government, Public Works Department, dated Dowlaishweram, 8th October 1870, No. 2,312 —

IN forwarding herewith copy of a letter from the Collector of Ganjam to the address of the Supervisor in charge, No. 1 Range, Ganjam, I have the honour to inform you that the road therein referred to was maintained from Imperial funds up to 1868-69, but in the year 1869-70 the necessary funds for the same were allotted by the Board of Revenue from District Road Fund, the line having been transferred to "Local." From the Proceedings of the Board of Revenue, No. 8,327, dated 10th November 1869, it is observed that the provision for this road had been struck out of the Local Fund Budget for 1870-71, as it formed a portion of the Imperial line No 1, the Great Northern Road from Madras to the Bengal frontier.

2. Under these circumstances, I request that the usual grant, namely, Rupees 1,700, for this road may be placed at my disposal from Imperial funds, to maintain this road in good order during the current year, and also that a similar amount may be provided in the ensuing year's Budget for the same purpose.
