*Proceedings of the Madras Government, Public Works Department,
20th October 1870.*

No. 291. Read the following letter from the Assistant Secretary to the Government of India, Public Works Department, (Railway,) to the Secretary to the Government of Madras, Public Works Department, (Railway,) dated Simla, 5th October 1870, No. 1,686-R. —

With reference to your docket, No. 2,283, of the 21st September 1870, I am directed to state that it was not intended by the Government of India in issuing Public Works Department Resolution, No. 1,356-R., of the 2nd August 1870, that any Station to Station Returns that might already have been completed should be set aside and the preparation of fresh ones undertaken. The acceptance by the Government of Madras of the Traffic Return for the first-half of 1870, in the form in which it had been prepared, is therefore in entire accord with the intention of the Government of India.
