*Proceedings of the Madras Government, Public Works Department,
25th October 1870.*

No. 344. Read the following letter from the Special Executive Engineer, Wynaad, to the Secretary to Government, Public Works Department, dated Wynaad, Vythery, 18th October 1870, No. 680.—

I FIND the allotment for the current year is far short of the emergent work required on the line of road from foot of Tambracherry Ghaut to Mysore frontier, and shall be much obliged by the following transfer of funds being permitted, namely —

<i>From</i>	<i>To</i>
Carkoor Ghaut and Road, <i>via</i> Goodaloor to Tippacadoo, Item No. 207	Tambracherry Ghaut and Road, <i>via</i> Vythery, Calpathy, and Sultan's Battery to Mysore frontier, Item No. 206
rs. 5,000	rs. 5,000

2. Up to end of September only Rupees 1,380 had been spent on the road from Carkoor Ghaut to Tippacadoo, and the only really emergent work is that of metalling portion of the road between Goodaloor and Tippacadoo.

3. Owing to the stoppage of work last year, and the consequent sudden dismissal of labour causing great discontent amongst the coolies, the Range Officer has had great difficulty in obtaining work-people, and will be scarcely able to spend his whole grant. The same difficulty does not exist in the Vythery Range, and, as the continuation of the road in the Mysore country is approaching completion, I anticipate a large traffic next monsoon, which I shall be utterly unable to provide against unless several portions of roads are metalled and some culverts built, for which, with the requirements of the Tambracherry Ghaut, my funds are quite inadequate.

No. 345. ORDER THEREON, 25th October 1870, No. 2,536.

ACCOUNT, No. 48.

UNDER the circumstances brought to notice in this letter the Government authorize the transfer of funds proposed

to supplement the Budget grant for the Tambracherry Ghaut.
