*Proceedings of the Madras Government, Public Works Department,
26th October 1870.*

No. 371. Read the following letter from the Superintending Engineer, 3rd Division, to the Secretary to Government, Public Works Department, dated Camp at Guvalchervoo, Royachetty Talook, Cuddapah, 25th September 1870, No. 1,414.—

I HAVE the honour to forward, for the sanction of Government, the accompanying plan, estimate, and report, amounting to Rupees 1,200, for making certain alterations and improvements to the Moonsiff's Court-house at Ghooty.

2. The submission of this estimate was held in abeyance agreeably to G. O., No. 2,095, dated 28th June 1869, as no funds were at my disposal from which I could have recommended the estimate for sanction.

3. The small grant under "Minor Works, Civil Buildings," precludes me recommending the estimate for sanction from funds in the current year, but I trust that an adequate allotment may be made in the Budget for 1871-72, to enable me to authorize this and other works being proceeded with after 1st April 1871.

No. 372. ORDER THEREON, 26th October 1870, No. 2,550.

CIVIL WORKS, No. 38.

THE estimate of Rupees 1,200 submitted with this letter for the execution of certain improvements to the

Moonsiff's Court-house at Ghooty is sanctioned.

2. There being no funds at the disposal of Government at present for appropriation to the work, the Superintending Engineer will apply for a grant after the 1st April next.
