*Proceedings of the Madras Government, Public Works Department,
27th October 1870.*

No. 393. Read the following letter from the Acting Superintending Engineer, 1st Division, to the Secretary to Government, Public Works Department, dated Dowlaishweram, 11th October 1870, No. 2,356 :—

In continuation of this office letter from camp, Samulcottah, dated 5th October 1870, No. A., I have the honour to report that I can provide funds for proceeding with the Talook Cutcherry at Peddapoor by savings which can be made from the grant for the Lunatic Asylum at Waltair, and from that for the Jail at Rajahmundry; the exact amount I cannot state at present, but this can be reported hereafter. We are unable to make any progress with the water-supply at the Jail, as up to this date no reply has been received from the Inspector-General to the references made to him, as to the quantity of water per diem to be provided for.

No. 394. ORDER THEREON, 27th October 1870, No. 2,561.

ACCOUNT, No. 51.

THE transfer of funds which the Acting Superintending Engineer proposes in this letter to meet the outlay required to complete the Talook Cutcherry at Peddapoor will require the sanction of the Government of India which His Excellency in Council is not prepared to apply for. As demands for grants to carry out works of more pressing importance than the Peddapoor Cutcherry are being made, and the Government are not in a position to comply with them, Major Fischer will report what sums he can surrender from the allotment for the Lunatic Asylum at Waltair and from that for the Rajahmundry Jail.
