*Proceedings of the Madras Government, Public Works Department,
28th October 1870.*

No. 409. Read the following letter from the Acting Superintending Engineer, 7th Division, to the Secretary to Government, Public Works Department, dated Camp at Tirthalla, 28th September 1870, No. 143:—

WITH reference to G. O., No. 2,032, of 23rd August, I have the honour to submit a plan and report by the Caroor Range Officer showing the kind of hired accommodation available for the Post Office at Caroor.

From the Range Officer, to the Acting Superintending Engineer, 7th Division, dated Caroor, 16th September 1870, No. 127.

I BEG to forward a plan of Caroor Post Office as requested in endorsement on G. O., No. 2,032, of 23rd August 1870. I have inspected the building which forms part of a native private house. The building consists of three rooms, the two end ones have been used as cook-rooms; they have no windows, and are dark, filthy holes, utterly unfit for any public office. The centre room is the only habitable place, and it is also unsuited for a Post Office. The end rooms, although marked on the plan as the "Record room" and "Clerks' room," are not used for such purposes. I consider the building unsuited for a Post Office. The rent paid for the building is Rupees 4 per month.

No. 410. ORDER THEREON, 28th October 1870, No. 2,569.

CIVIL WORKS, No. 45.

ORDERED to be recorded.
