*Proceedings of the Madras Government, Public Works Department,
31st October 1870.*

No. 441. Read the following letter from the Controller of Public Works Accounts, to the Secretary to Government, Public Works Department, dated Madras, 1st October 1870, No. 1,365:—

ADVERTING to their Proceedings No. 2,129, dated 5th September 1870, I have the honour to submit, for the consideration of Government, copies of the papers as per margin relating to the claim to house rent made on behalf of *Mr. Apothecary A. Saviel* from the 27th May to the 23rd September 1868.

From the Controller of Public Works Accounts, to the Inspector-General, Indian Medical Department, No. 1,140, dated 8th September 1870.
To do. from do. No. 3,312, dated 15th September 1870.
From do. to do. No. 496, dated 17th September 1870.
To do. from do. No. 3,485, dated 29th September 1870.

2. Mr. Saviel having during this period been attached to the Department of the Deputy Inspector-General, he was considered as on *Military* duty, and his pay was accordingly passed by the Military Department. The grant of house rent, however, under G. O. G. G., (Military Department,) No. 550, dated 5th June 1868, is contingent on Mr. Saviel having been employed on *Regimental* or corresponding duty. From the papers herewith submitted it will be observed that Mr. Saviel was attached to the Collector's Department, Sydapett, from the 27th May to the 23rd September 1868, and as this is purely civil employment, this office holds Mr. Saviel's claim to house rent to be untenable. The Inspector-General of the Indian Medical Department, however, entertains a different opinion, and at that officer's request the question at issue is submitted for the orders of Government.

No. 442. ORDER THEREON, 31st October 1870, No. 2,585.

ESTABLISHMENT, No. 34.

THE Government are not of opinion that Mr. Apothecary Saviel's employment between the 27th May and 23rd September 1868 in the Collector's Department at Sydapett can be regarded as *Regimental* or corresponding duty, and his claim to house rent for that period cannot therefore form a charge against the Public Works Department.

Madras

Sir,
Adverting to the accompa.
ing bill referred to in G.O. No 2129
dated 5th September 1870, I have the honor
to request that you will be so good as
to inform me of the particular charge
to which Mr. Apothecary St. David was
attached from 27th May to 23rd September
1868.

It is not quite clear from
the certificate whether the "Collector's
Department, Sydappett" is Mr. David's
present

present charge on that which he held
during the periods noted above. Of the
latter, Mr. Daniels' claim is clearly
inadmissible as a charge against the
Public Works Department.

I remain, Sir, your obedient servant,
Signed, S. Birch

In Proceedings
dated 5th September 1870
No. 2129, the Controller
of Public Works Accounts
was authorized to admit
a claim to reimbursement
preferred on behalf of
Mr. Apollonary Sarrich
from the 27 May to 28th
September 1868: provided
that during that period
Mr. Sarrich was employed
on Regimental or corres-
ponding duty.

The Controller has
since

since ascertained that at
the time in question
Mr. Savick was attached
to the Collector's Depart-
ment: "Sydapett," and,
under the rules, therefore,
he is of opinion that the
claim is inadmissible
as a charge against the
Public Works Department.
The Inspector General,
Indian Medical Department,
however, maintains that
though Mr. Savick was
temporarily employed
in the Civil Department
he was still considered
as attached to the De-
partment of the Deputy
Inspector General, which

is

is supposed to correspond
to Regimental duty.

The case is sub-
mitted for orders.
