*Proceedings of the Madras Government, Public Works Department,

No. 23. Read the following letter from the Acting Superintending Engineer, 1st Division, to the Secretary to Government, Public Works Department, dated Dowlaishweram, 8th October 1870, No. 2,314:—

IN forwarding herewith copy of a letter received from the Executive Engineer in charge No. 3 Range, Godavery, requesting me to obtain the sanction of Government to Delta Superintendent

C. Seetharamiah being exempted from passing the Uncovenanted Civil Service Examination, I have the honour to state that the Service Register of this subordinate was forwarded in December 1869 to the Controller of Public Works Accounts, but as that officer pronounced Seetharamiah ineligible for promotion, and subsequently did not notice his claims which were put forward a second time* by

* 26th February 1870. this office, I did not deem it necessary to address Government on the subject.

2. The Delta Superintendent entered the service of Government in the year 1856, and up to July 1857 was employed on the permanent establishment, after which he appears to have been thrown out of employment by reductions in the Public Works Department. It is observed, however, that from April 1861 he served continuously up to date of his appointment as Delta Superintendent in October 1869.

3. Under the foregoing circumstances, and as Seetharamiah bears a good character, I trust that Government will be pleased to exempt him from passing the Uncovenanted Test, and accord their sanction to full salary being passed to him by the Controller.

From the Executive Engineer, No. 3 or Western Delta Range, Godavery, to the Acting Superintending Engineer, 1st Division, dated Nursapoor, 27th September 1870, No. 540.

I HAVE the honour to forward, for your consideration, a letter from Delta Superintendent C. Seetharamiah, requesting that the authority of Government may be obtained to his being permanently entertained as Delta Superintendent, and to the full salary of the grade to which he was appointed being passed to him.

2. This man's case appears to have been referred by you to the Controller once, as he forwards me a copy of memorandum from the Controller, suggesting that a reference regarding his being excused from passing the Uncovenanted Civil Service Examination be made on his behalf. Seetharamiah was not under me when I referred the case of the other Delta Superintendents, whose permanent appointment the Government sanctioned, or I would then have brought his case forward. Owing to his having been only a short time under me, I am not able to express an opinion as to his qualifications, but he has good characters, and has, moreover, acted on full pay as Talook Overseer for three years and four months; under these circumstances, I would ask you to be good enough to bring his case to the notice of Government in order that he may be confirmed in his appointment.

No. 24. ORDER THEREON, 1st November 1870, No. 2,611.
