*Proceedings of the Madras Government, Public Works Department,
9th November 1870.*

No. 146. Read the following letter from the Acting Superintending Engineer, 4th Division, to the Secretary to Government, Public Works Department, dated Madras, 28th October 1870, No. 3,093:—

With reference to G. O., No. 2,516, dated 21st October 1870, I have the honour to enclose an original letter* from the Executive Engineer, Presidency, with enclosures, and request that this Government will be pleased to sanction at once, in anticipation of the orders of the Government of India, the appropriation of the Rupees 1,150 required for the buildings and fittings connected with the new proving apparatus at the Gun Powder Factory, the work being shown to be so emergent.

From the Executive Engineer, Presidency, to the Superintending Engineer, 4th Division, dated Fort Saint George, 26th October 1870, No. 1,394.

I HAVE the honour to request permission to pay the amount required by Captain Childers for the work going on at the Powder Mills, for erecting machinery, etc., for proving powder.

2. Government have, I believe, sanctioned the outlay, but copy of their Proceedings has not yet been furnished to me. I enclose copies of letters from Captain Childers on the subject.

From the Officiating Superintendent of Gun Powder Factory, to the Executive Engineer, Presidency, dated Madras, 12th October 1870, No. 371.

REFERRING to Proceedings of the Madras Government, No. 2,834, dated 3rd October 1870, I have the honour to request that the funds therein referred to may be made over for the purpose directed as early as convenient, as the work is emergently required, and I am anxious to have as much done as practicable before the next monsoon.

From the Officiating Superintendent of Gun Powder Factory, to the Executive Engineer, Presidency, dated Madras, 26th October 1870, No. 396.

REQUESTS attention to his letter No. 371, dated 12th instant, as funds are emergently required for the payment of workmen employed during present month.

No. 147. ORDER THEREON, 9th November 1870, No. 2,678A.

ACCOUNT, No. 12.

As it is of importance that the new proving apparatus at the Gun Powder Manufactory should be set up and brought into use as early as possible, His Excellency the Governor in Council resolves to authorize the immediate appropriation to that work of the sum of Rupees 1,150 provided for it by transfer in G. O., No. 2,516, dated 21st October 1870, and to report the sanction for the confirmation of the Government of India.
