Nos. 155-156

Collector's Cutcherry at Trichinopoly.—
The estimate of Rupees 990 for cut-stone
flooring, etc., to the Collector's Cutcherry
at Trichinopoly, sanctioned.

No. 112.

From

Trichinopoly
Collectors Office
17 June 1870.

W. M. Cadell Esquire
Acting Collector for
Trichinopoly.

To

The Superintending Engineer,
6th Division
Bangalore

Sir

1. I have the honor to return duly
countersigned the accompanying Estimate
for Rs. 990 forwarded with your Docket No. 4.

2. The flooring of this Cutcherry consists
chiefly of brick and chunam and is in a very
unsatisfactory condition. The use of tables and
chairs and the constant traffic upon the much
frequented portions of this Office not only injures
the flooring but raises dust and dirt much
to the inconvenience of the occupants.

3. The Estimate now forwarded provides
for a granite pavement in certain parts of the
building and for repaving the flooring of
the Verandah; and this work would in my
opinion not only be a great improvement
but would save frequent outlay in the way
of repairing the flooring.

I have the honor to be,
Sir

Yours most obedt. Servt.
Signed / W. M. Cadell
Collector.
