GOVERNMENT OF INDIA.

PUBLIC WORKS DEPARTMENT.

ESTABLISHMENT.

Railway.

To

The Secretary to the Govt of Madras
in the Public Works Department
Railway Branch.

Simla 15th October 1870.

Sir,

I am directed to draw the attention of the Government of Madras to Notification No 341 dated 7th Instant, regarding the introduction of a revised scale of salaries in the Engineer Establishment of the Public Works Department throughout India.

2. It will be observed that officers holding posts as Consulting Engineers and Deputy and Assistant Consulting Engineers are under the approval of the Secretary of State to be brought on the graded list of the Dept.

The

The Governor General in Council has been pleased to rule that Consulting Engineers shall in the first instance be admitted in the 3rd Class of Chief Engineers. In Madras there are in this rank -

1 Consulting Engineer for Railways.
1 Consulting Engineer for Madras Irrig. Coy.

The number of Chief Engineers in Madras will therefore be four, viz: -

1 First Class.
1 Second Class.
2 Third Class.

But by the rule dividing the numbers in the two lower classes, if there is a fraction in dividing the aggregate number by two, an addition of one is made to the 2nd Class, and the sanctioned scale is

1 First Class
2 Second Class
1 Third Class.

It therefore rests with the Government of Madras to promote one from the 3rd to the 2nd Class.

3. As to the Deputy and Assistant Consulting Engineers, I am to request that the proposals for grading them may be submitted, based on their staff salaries considered in relation to the present rules -
