*Proceedings of the Madras Government, Public Works Department,
10th November 1870.*

No. 182. Read the following letter from the Acting Superintending Engineer, 1st Division, to the Secretary to Government, Public Works Department, dated Dowlaishweram, 20th October 1870, No. 2,462:—

ADVERTING to paragraph 2 of G. O., No. 139, dated 12th January 1870, wherein Government declined to extend to G. Nagabooshanum, a Clerk in my office, the indulgence of being exempted from passing the Uncovenanted Civil Service Examination, conceded to another of my clerks, from sufficient reasons not having been adduced, I beg once more to urge these few lines in his favour, and trust that due consideration will be given to my request.

2. Nagabooshanum has now been employed in my office from April 1869, or a little more than a year and a half; during this time I have invariably found him to be a very useful, hard-working, and pains-taking clerk, and, notwithstanding that the full salary (Rupees 25) attached to his post had not been passed to him, he has cheerfully conducted all the office work entrusted to him. He has past the age for studying the required subjects for the Uncovenanted Civil Service Examination, and having suffered much from fever, contracted while in Dumagudiem, is quite unequal to the task.

3. Under the above circumstances, and as it will be a difficult matter in this district to secure the services of a man of his experience and qualifications, and, moreover, as the passed candidates obtainable here will, in my opinion, require a great deal of training before they can enter satisfactorily upon the duties of an office, I request that Government will be pleased, as a special case, to exempt Naga-booshanum from the operation of the Uncovenanted Service Examination Rules.

4. I may add, for the information of Government, that prior to the employment of this clerk in my office, he was on the receipt of a salary of Rupees 30 per mensem, which was passed to him without any objection by the Controller of the Central Provinces.

No. 183. ORDER THEREON, 10th November 1870, No. 2,696.

ESTABLISHMENT, No. 19.

As exemption from the operation of the Uncovenanted Service Examination Rules can only be allowed on

special grounds, and as there is nothing which has been urged in favour of G. Nagabooshanum, who fills the post of an ordinary clerk, to justify his case being exceptionally dealt with, the Government see no reason for modifying their orders of the 12th January 1870, No. 139.

Referring to para 2 of G. O. No 139
dated 12th January 1870. wherein Government declined
to extend to G. Sugaboshanum a Clerk in my
Office the indulgence, of being exempted from
passing the W. C. S. Examination, conceded to

having been adduced. I beg once more to urge

and having suffered much from fever con-
tracted while in Dumaguene is quite un-
equal to the task.

3. Under the above circumstances, and
as it will be a difficult matter in this
District to secure the services of a man of
his experience and qualifications and moreover
as the possible Candidates obtainable here will,
in my opinion require a great deal of training
before they can enter satisfactorily upon the

duties of an Office I request that Government
will be pleased as a special case to exempt
Nagabooshann from the operation of the
Uncovenanted Service Examination rules.
