Sir

I have the honor to forward herewith an extract from a memo by the Controller objecting to pass the Charges made by me in my travelling allowance bill for September 1870, and bonâfide incurred in bringing my tents and personal baggage from Madras to Coconada, & to request that you will be good enough to forward the enclosed duplicate bill for the favorable consideration of Government.

I have to inform you that per memo No. 2139 dated 10th August 1869 that it was the intention of Government to allow the

the Carriage of tents to Officers proceeding on duty by Sea from District to District, as also a reasonable amount of baggage, and I believe the charge has in some cases been allowed in being ordered from Madras to the Godavery, I was obliged to take tents with me and also baggage in excess of the 3 tents allowed free by the E.I.C.S.N. Company. I carried no furniture - the bills that I submit therefore, are only for the sum I paid to the Steamer agents for conveying myself - 2 Servants and such baggage as I was absolutely necessary that I should take, and do not include the extra Charges, such as boat hire landing baggage &c. that I incurred.
