(Signed) J. F. FISCHER, Major, R.E.,
Acting Superintending Engineer, 1st Division.

No. 208. From the same Officer, dated Dowlaishweram, 17th October 1870, No. 2,413.

IN forwarding herewith copy of a letter received from the Executive Engineer in charge No. 3 Range, Godavery, I have the honour to inform you that the necessary arrangements have been made to supply the tools indented for by Mr. Rundall from the Public Works stores, Madras, and that authority has been given for the Government Workshop, Dowlaishweram, to supply the Archimedean screws, funds for which have been appropriated by me from the "Extraordinary grant," namely, Rupees 10,900.

2. With regard to the "Iron lighters," I request that Government will be pleased to order these, as particularized below, from England :—

No. 4. Iron lighters, 35 to 40 tons, 3,000 Rupees each.
,, 6. Do., 20 to 25 ,, 2,500 ,, "

From the Executive Engineer, in charge No. 3 Range, Godavery, to the Superintending Engineer, 1st Division, dated Nursapur, 12th October 1870, No. 574.

I beg to forward herewith an indent for the tools required by me for works likely to be undertaken in this range, and request you will be good enough to pass them on with orders for the tools to be sent to me via Cocanada.

2. The tools included in this list were entered in my estimate for the current year forwarded last September.

*Proceedings of the Madras Government, Public Works Department,
11th November 1870.*

3. I request permission to order from the Workshop the Archimedean screws included in the "Extraordinary Indent," and I would also request you to take steps to ensure our getting the iron lighters, as I am sure we shall experience great difficulty in pushing on work on the completion project, unless provided with proper boats for the carriage of materials.

No. 209. ORDER THEREON, 11th November 1870, No. 2,705.

ACCOUNT, No. 21.

ORDERED that the estimate received with this letter be forwarded for the sanction of the Government of India, and that the Superintending Engineer of the 1st Division be informed with reference to the second of his letters above recorded that all articles requiring to be obtained from England should be entered in a separate memorandum with a full description of each and submitted through the General Superintendent of Public Works stores for the sanction of Government to their inclusion in the next indent on the Home Government. The ten iron lighters required for Extraordinary Agricultural works in the Godavery District will accordingly be so treated.
