No. 234. Read the following letter from the Consulting Architect to Government, to the Secretary to Government, Public Works Department, dated Camp at Madura, 2nd November 1870, No. 76:—

In continuation of my letter No. 68, dated the 26th September 1870, on the subject of the plans for the new Telegraph Office, I have the honour to state that extensive alterations and additions are required by the Director General of Telegraphs. The sketch plans were approved of, but owing to the necessity of providing additional accommodation for the Cable Company, an entirely new arrangement must be adopted, and the original plans, now nearly finished, must be thrown aside.
