*Proceedings of the Madras Government, Public Works Department,
14th November 1870.*

No. 236. Read the following letter from the Superintending Engineer, 4th Division, to the Secretary to Government, Public Works Department, dated Madras, 31st October 1870, No. 3,106:—

I WOULD request the orders of Government on the payment to be made on account of land required for the Red Hill Water-supply Channel.

2. At present Rupees 40,071-6-6 have been paid for land taken up, Rupees 30,000 were given in G. O., No. 2,418, dated 6th October 1870, for the same purpose, leaving only Rupees 13,068-9-6 from the estimated amount, whilst I understand that not half the claims are as yet satisfied; in fact, that the Acting Collector of Chingleput is already wanting some Rupees 40,000.

3. I cannot discover how Mr. Fraser came to the conclusion that the sum of Rupees 83,140 was sufficient, nor can I find that any Committee under the Act of 1865 was ever held to decide on the amount to be paid. A new Act for taking up land has now been passed in 1870, and I would suggest that before any more is paid away on this account, that a statement be made up by the proper authorities, showing exactly the amount that Government must pay.

No. 237. ORDER THEREON, 14th November 1870, No. 2,720.

IRRIGATION, No. 14.

THE Government resolve, with reference to this letter from the Superintending Engineer of the 4th Division, to call

upon the Collector of Chingleput, through the Revenue Department, to submit a statement showing—

1st.—The acreage in each village already taken up for the Madras Water Works Project, and the sum paid as compensation.

2nd.—The acreage in each village yet to be acquired, together with the probable sum to be paid as compensation. It should be mentioned to what extent the amount to be paid has been already settled.

3rd.—The compensation paid, and to be paid, for houses, wells, trees, etc.

2. This information should be furnished as early as possible, in order that it may be seen whether any further provision of funds will have to be made in the Budget now under preparation.
