*Proceedings of the Madras Government, Public Works Department,
14th November 1870.*

No. 240. Read the following Proceedings of the Madras Government in the Ecclesiastical Department, dated 25th October 1870, No. 174 :—

Read the following letter from the Collector of the Kistna District, dated 6th September 1870, No. 4,066.

In Government Order, dated 23rd February 1870, No. 24, Ecclesiastical Department, Government ordered certain repairs to the enclosures of the old Dutch and French burial-grounds at Masulipatam, and directed me to communicate with the Executive Engineer of the Division with reference to the burial-grounds of the district.

2. I have done so accordingly, and the Superintending Engineer now forwards to me two estimates—one, amounting to Rupees 158, for the repairs to the Dutch burial-ground ; and one for Rupees 171 for re-enclosing the French tombs in the heart of the town. The Tahsildar's estimates for the same works having been Rupees 73-5-10 and Rupees 101-9-11 respectively, I beg to request instructions as to the source from which this expenditure, and any other required in the district, is to be met.

3. The fund for the improving of Christian burial-grounds has only just been started under the rules published, Notification 29th October 1866, and there are only a few rupees on hand, quite insufficient to meet this charge. I would request, therefore, that the necessary funds for these estimates may be placed at the disposal of the Department Public Works.

THE Government are unable to assign any funds during the current year for repairing and improving the Dutch and French burial-grounds at Musulipatam.
