*Proceedings of the Madras Government, Public Works Department,
14th November 1870.*

No. 242. Read the following letter from the Under Secretary to the Government of India, Public Works Department, (Establishment—Irrigation,) to the Secretary to the Government of Madras, Public Works Department, dated Simla, 27th October 1870, No. 247-E. I. :—

With reference to my letter No. 322-I., of the 14th September 1869, I am directed to request that the Government of India may be furnished with a report of the results of any trials that may have been made with Mr. Fouracres' invention of the "Well Excavator," and of the saving in expense, time, and labour that is likely to be effected by its introduction.

No. 243. ORDER THEREON, 14th November 1870, No. 2,723.

IRRIGATION, No. 15.

ORDERED that the following letter
be sent :—

(Here enter No. 2,724, dated 14th November 1870.)

(True Extract.)

(Signed) CHARLES A. ORR, Colonel, R. E.,
