*Proceedings of the Madras Government, Public Works Department,
15th November 1870.*

No. 266. Read the following letter from the Acting Superintending Engineer, 1st Division, to the Secretary to Government, Public Works Department, dated Dowlaishweram, 21st October 1870, No. 2,482 :—

ADVERTING to paragraph 1 of G. O. of the 16th September 1870, No. 2,226, I have the honour to forward, in original, a petition and its enclosures from Talook Overseer Basca Row, for the consideration and orders of Government. I do not believe he has any interest in the lands referred to, and certainly no complaints against him have been preferred by any of the ryots of his talook to me.

2. If any cause of complaint had existed I should have heard of it, as the people do not hesitate now to apply to me in all such cases.

3. Basca Row is an old servant of the Government, and has done good service in his time ; I do not wish to transfer him elsewhere and at his time of life, he evidently knows it might cost him his life, he applies therefore for a pension, if his case cannot be favourably considered, and I trust this point may be taken into account when determining the matter.

No. 267. ORDER THEREON, 15th November 1870, No. 2,737.

ESTABLISHMENT, No. 26.

UNDER the circumstances brought to notice in these papers the Government will not object to Overseer Basca

Row's continued employment in the Amalapoor Talook of the Godavery District.
