No. 334. Read the following letter from the Superintending Engineer, 2nd Division, to the Secretary to Government, Public Works Department, dated Madras, 3rd November 1870, Extra No. 1 :—

I HAVE the honour to enclose a letter from Lieutenant A. C. Smith, R. E., Executive Engineer, Kistna District, for the favourable consideration of Government, and to report that I can arrange for the carrying on of duty in his Range during the time he asks.

2. I trust that his place will be filled by an Executive Engineer when the permanent vacancy occurs on the expiration of his tour of service.

From Lieutenant A. C. SMITH, R.E., Executive Engineer, to the Superintending Engineer, 2nd Division.

I HAVE the honour to bring to your notice that I am now on privilege leave, which will expire on the 29th instant.

2. I was in hopes of being ordered home to England on service before the expiration of this leave, but the Government have since ruled that my seven years' service in this country does not end until the 5th January 1871 ; I shall, therefore, have a little over a month to serve in this country after the present leave is up.

3. As I believe you have no particular occasion for my services during this short period, and as it will be hardly worth my while to go up again to the Kistna District, I have the honour to request you will be good enough to recommend that I may be employed in Madras from the 29th instant until the 5th January, or until such time as I may be ordered home by the Military authorities.

4. Or, if this will not be convenient to the authorities, I request that you will kindly recommend that my services may be placed at the disposal of the Commander-in-Chief from the expiration of my leave, in order that I may do duty with the Sappers until I am ordered to England.

No. 335. ORDER THEREON, 18th November 1870, No. 2,772.

ESTABLISHMENT, No. 30.

As employment cannot be found for Lieutenant Smith in the Public Works Department for the short period during which he requests to be allowed to stay in Madras after the expiration of the leave which expires on the 29th instant, his services will be replaced at the disposal of His Excellency the Commander-in-Chief from that date.
