Proceedings of the Madras Government, Public Works Department, 6th January 1871.

No. 50. Read the following Endorsement of the Controller of Public Works Accounts, dated Madras, 2nd December 1870, No. 1,878 :—

From the Accountant-General, Public Works Department, to the Controller of Public Works Accounts, Madras, dated Fort William, 21st November 1870, No. 1,858.

I HAVE reason to believe that the Code Rules,* as per margin, which prescribe that a Register should be maintained by Executive Engineers of all buildings in Military Cantonments, and a similar Register for all other public buildings within their divisions, are not always attended to.

* Chapter IX., Section I., paragraph 6.
„ X., „ I., „ 8.

2. I have the honour therefore to draw your attention to the matter, and to request that you will submit a report by the 1st January next, showing the state of the Registers of the several Divisions in your Province.

SUBMITTED for the consideration and orders of Government.

2. No instructions appear to have been communicated to this office on the subject of the Accountant-General's letter, nor can it be traced that Chapters IX.* and X.† of the Public Works Code of the Government of India have been made applicable to this Presidency.

* Section I., paragraph 6.
† „ I., „ 8.

Controller of Public Works Accounts.

No. 51. ORDER THEREON, 6th January 1871, No. 27.

MILITARY WORKS, No. 2.

Chapter IX., Section I., paragraph 6.—A proper plan of every Cantonment, clearly showing its boundaries, and the limits of the several villages, bazaars, public and private enclosures or estates, shall at all times exist in the office of the Executive Engineer, and the old maps shall be revised from time to time by the Executive Engineer in concert with the officer of the Quarter Master General's Department, to ensure the accuracy of the record. When a revised survey of a Cantonment is made by the Executive Engineer, he will prepare a register of the buildings, estates, etc., in Form No. 96 to accompany his map. Two copies of each of these documents are to be sent to the Chief Engineer, one copy for record in his office, and the other for transmission to the Quarter Master General.

Chapter X., Section I., paragraph 8.—The general rules as to the record of the boundaries of land occupied as Cantonments (see Chapter IX., Section I.,) are to be followed, so far as they are applicable, in the case of land occupied by public buildings or works of every sort not situated within a Military Cantonment.

THE portions of the Government of India Code quoted in the margin regarding the maintenance of Registers of all public buildings do not appear to have been made applicable to this Presidency, but the Superintending Engineers will report whether any record of such public buildings exists either in their own or in Range Offices.
