No. 56. Read the following letter from the Acting Superintending Engineer 7th Division, to the Secretary to Government, Public Works Department, dated Camp at Cannanore, 14th December 1870, No. 201:—

I HAVE the honour to request that I may be informed if a Superintending Engineer is at liberty to authorize an advance not exceeding a month's pay to an Overseer newly appointed from the Civil Engineering College without the previous sanction of Government in each case, providing such advance has not been already made by the Principal of the Civil Engineering College at Madras. Also whether an advance, equal to a month's pay, may in addition be given to a new Overseer to enable him to purchase a pony, without which he will not be able to do his duty properly. Advances are allowed toward the purchase of tents, *vide* paragraph 2, Rule VII. of Travelling Allowances; but there are no orders authorizing advances towards purchase of ponies, though nevertheless quite as necessary.

2. The Caroor Range Officer applies for authority to advance new Overseer S. T. Winfred, employed in his Range, a sum of Rupees 60 to enable him to purchase a pony, to be recovered in five monthly instalments, which, if necessary, I recommend may be sanctioned.

No. 57. ORDER THEREON, 6th January 1871, No. 30.

ESTABLISHMENT, No. 8.

15th December 1868, No. 3,909.
18th June 1869, No. 1,987.

THE attention of the Acting Superintending Engineer will be drawn to the orders marginally noted which distinctly prohibit any advances on account of salaries being made except under the authority of Government.

2. The proposed advance of Rupees 30 to Overseer Winfred is sanctioned.
