Resolution.—The questions involved in the above-mentioned correspondence are, *first*, if Medical Subordinates in civil employ are entitled to compensation in lieu of free quarters; and, *secondly*, whether the compensation should be paid in the Civil or the Public Works Department.

2. With reference to the first question, the Governor-General in Council is pleased to sanction the grant to Medical Subordinates in Civil employ, who are not in receipt of consolidated civil salaries, and are not provided with free quarters, of house-rent at the monthly rates shown in the margin. His Excellency in Council observes, however, with reference to the expression "house-rent *and* camp equipage" in the last

paragraph of the letter from the Acting Secretary to the Government of Fort Saint George, mentioned above, that both house-rent and camp equipage are not allowable at the same time.

3. With reference to the second question, His Excellency in Council observes that it should be considered in the Home Department, whether some cheaper agency, such as Native Doctors, cannot be substituted for Apothecaries and Assistant Apothecaries in Civil Hospitals and Dispensaries generally. Pending a decision on this subject, His Excellency in Council is pleased to rule that the house-rent of Medical Subordinates in such institutions shall be paid in the Civil Department, while that of other Medical Subordinates in civil employ shall be treated as a Public Works charge.

ORDER.—Ordered that the foregoing Resolution be communicated to the Home Department, with the remark that the employment of Apothecaries and Assistant Apothecaries in Civil Hospitals and Dispensaries has always been open to the objection that it entails unnecessary expense, and that the objection applies *a fortiori*, now that this class of officers with the improved rates of pay sanctioned for them in 1868, and the house-rent sanctioned above is more expensive than before.

Ordered also that the foregoing Resolution be communicated to the Comptroller General of Accounts, the Accountants-General, and the Deputy Accountants General in independent charge.
